

Elevator Car Panel Styles

Residential Applications

Flat Panel

The Flat panel car offers an unlimited opportunity to be customized and trimmed right in your home to complement your style.

Shaker Panel

Modeled after the simplistic design and rugged durability of the Shaker culture, the Shaker panels embellish the elevator with their clean lines and subtle nuance.

Recessed Panel

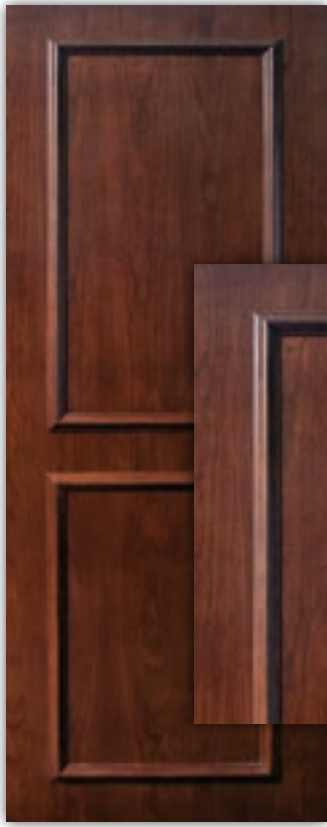

Providing flat central panels adorned by a raised border, the Recessed panel will add depth and elegance to any elevator.

Raised Panel

Manufactured by skilled craftsmen, the sweeping contours in the panels, accented by offset border trim, makes the all hardwood Raised panel car stand out.
