Interior Profile Colors

Your elevator interior should feel as considered as the rest of your home. Our selection of six carefully chosen colors is designed to blend seamlessly with your lighting features and surrounding interior design.

Color is a quiet foundation for comfort, influencing mood and creating a sense of ease at home.

Organic Signal White — AE03059900320

Oriental Oyster White — AE03051101320

Gothic Graphite Black — AE03054901120

Rich, layered colors add depth and warmth, creating a sense of comfort that makes a home feel truly inviting.

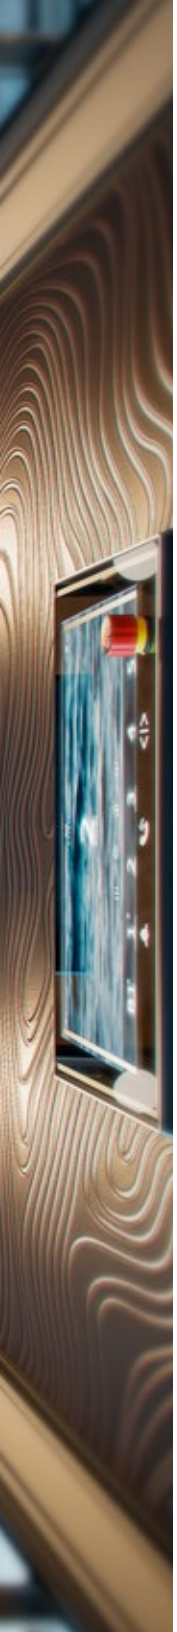
Oriental Pale Brown — AE03058802520

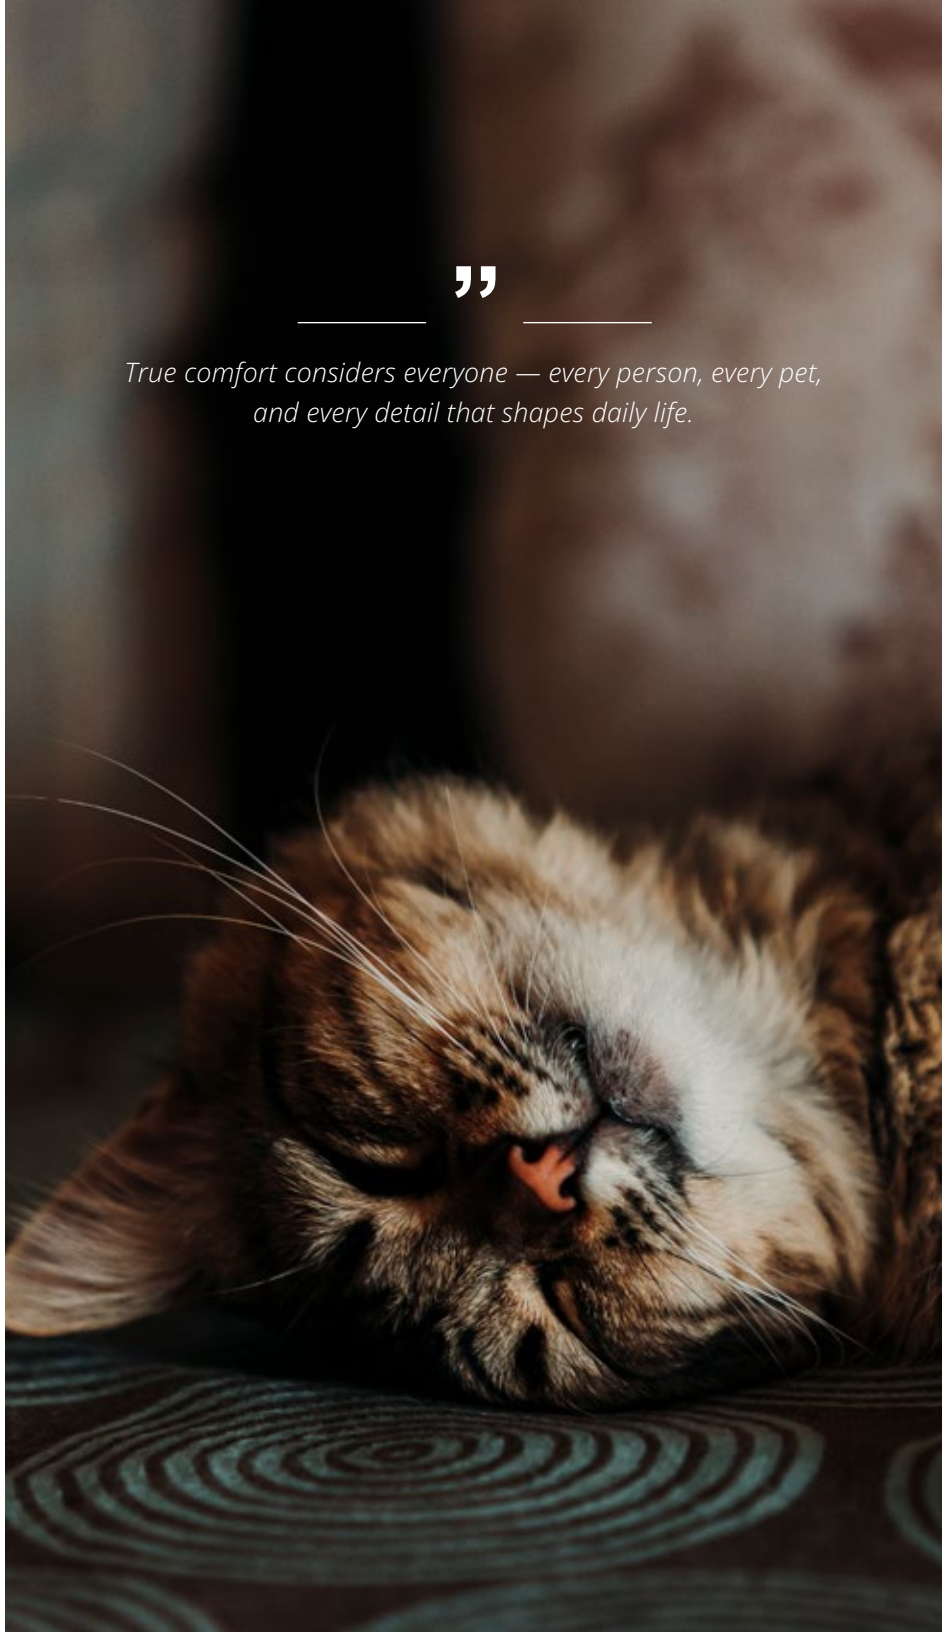
Oriental Grey Beige — AE03051101920

”

I adore beige because it is so neutral. It is the color of the earth, the color of the stones on which we walk.

~ Yves Saint Laurent





True comfort considers everyone — every person, every pet, and every detail that shapes daily life.

Glacial Slate Grey — AE03057701520

Forbo Flooring

Forbo flooring combines durability, safety, and refined design. A curated selection of seven colors and textures creates an elegant foundation for modern interiors.

Barbados — 3858

Clay — 3254

Volcanic Ash — 3872

Black — 2939

Stone flooring transforms a room with quiet sophistication — each surface unique, enduring, and refined by time.

”

The foundation of a home is not only structure, but the feeling beneath your feet.

Grey Oak — 18832

Natural Oak — 18942

Dark Oak — 18902

Wooden Cabin Wall Patterns

Your elevator interior should feel as considered as the rest of your home. Our selection of six carefully chosen colors is designed to blend seamlessly with your lighting features and surrounding interior design.

Terrace Flow — Dark

Terrace Flow — Light

”
Nature has a quiet way of restoring balance,
and the warmth of wood brings the calming presence of
the forest into everyday life.

Ripple Trace — Light

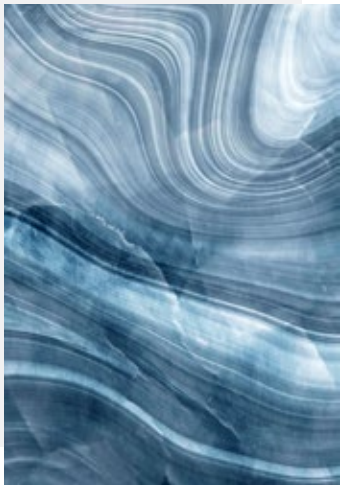
Ripple Trace — Dark

Ripple Trace — White

Acrylic Cabin Wall Patterns

Your elevator interior should feel as considered as the rest of your home. Our selection of six carefully chosen colors is designed to blend seamlessly with your lighting features and surrounding interior design.

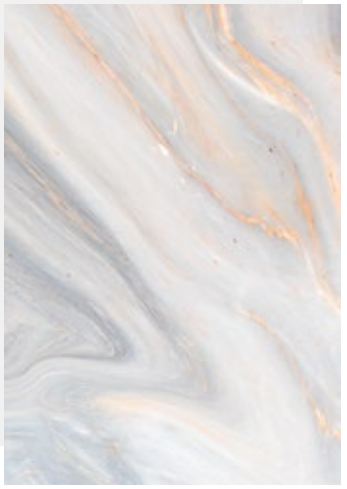
Cinnabar Rose



Cobalt Blue

Relleaqua

Glacier



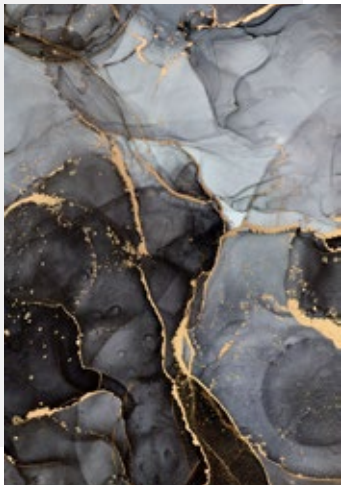
Nova Clouds

Celestial

Where stone meets water,
blue and green tones reflect the rhythm of waves,
creating a quiet sense of balance and calm.

Amaranta

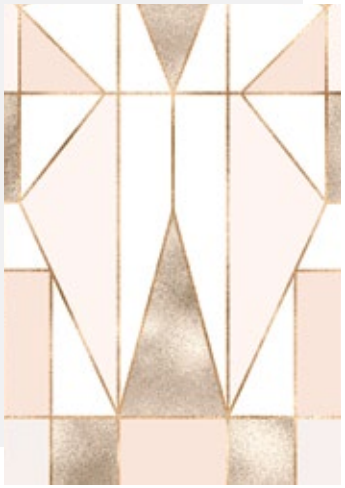
Venetian



Imperial Marble

”

Inspired by Venetian tradition, layered lines shape light and privacy with quiet elegance.



Verona

Clay Parfait

Evening Agate

Inca

Cibes | symmetry

Our company was founded in 2008, by an entrepreneurial group of people, driven by the vision of elevating life across the US. Today, Symmetry has become a household name for elevators in North America, with high rankings on the Forbes List for Best Home Elevators.
In 2022, we joined forces with global Swedish elevator manufacturer Cibes Lift Group and became Cibes Symmetry. Together, we offer you close to a century of consolidated knowledge, combining Swedish innovation and design with US craftsmanship and expertise. Our wide range of ADA and ASME compliant elevating solutions is manufactured in the US and in Sweden and distributed through our nationwide network of authorized dealers.
